REACHING BEYOND REVIT

Ready for or looking to jump start a new career in construction and design? Join us for an immersive 12-week long workshop to learn how to use **Autodesk Revit**, **Building Information Modeling software** which includes features for architectural design, MEP (Mechanical, Engineering, and Plumbing), structural engineering, and construction. **Train with a California-licensed engineer** to acquire real-world employable skills and develop a portfolio to share on job applications.

Every Saturday, March 23 - June 15, 2019
1:00 - 4:00 p.m.
4th Floor, Wells Fargo Technology Computer Lab

Requirements:

- Free immersive workshops with limited seating available, apply here:
  https://reachingbeyondrevit.weebly.com/ > *Work Schedule* > *Download Registration Form*
  Completed applications - submitted by March 9, 2019 will be given priority consideration.

- Registered participants must attend all 12 sessions.

- Must be at least age 18+ to apply.
